TONNAGE TAX BILL IS PASSED

**Gets Majority of Fourteen Votes
in the Senate.**

DESPITE VIGOROUS EFFORTS

No Amendments Are Made to the Measure—Has Passed the House and Now Goes to the Governor—Bill Levies a Tax of Two to Five Cents Per Ton on Ore Shipped From Mines Producing Over Twenty Thousand Tons Annually.

St. Paul, April 17.—After five hours and a half devoted to the Borge tonnage tax bill, the measure passed the senate by a vote of 38 to 24.

It was not amended, despite the vigorous efforts of the opposition, who forced sixteen roll calls on various propositions before the bill was carried. It had passed the house and now goes to the governor for signature. There is no intimation what his action will be.

The governor spoke clearly for a tonnage tax in the southern part of the state during the campaign, but whether he can be persuaded that the particular features of this bill are desirable is not known.

The bill carries the name of H. O. Borge of Lake Park and passed the house with one vote to spare several weeks ago. It was drawn in collaboration with "one of the foremost lawyers of the state," supposed to be former Attorney General E. T. Young. The bill is admitted by its enemies to be the most equitable of any tonnage tax bill ever proposed, but has been fought with a desperation born of terror by every man on the three ranges.

The bill levies a tax of 2 and 5 cents a ton on ore shipped from mines producing more than 20,000 tons annually. This is for state purposes only. For local purposes the present ad valorem taxes are to remain. At a rough estimate the bill will produce \$600,000 a year to the state or over \$325,000 more than at present. At the first opportunity efforts will be made to secure a ruling of the supreme court on the measure should the governor sign it.

Will Mean Reduction in Output.

The people of the ranges are convinced that the tax will mean a reduction of output, a reduction of wages, and the tying up of all taxes until the constitutionality of the bill is passed on by the highest courts.

Friends of the county and district agricultural schools gave up and submitted to the plan proposed in the bill by Senator F. E. Putnam, which proposes state aid to state high, graded and rural consolidated schools, which establish departments of agriculture, manual training and domestic science. The bill passed the house without any opposition.

The bill appropriates \$25,000 for each of the next two years to aid such schools. Not over ten schools may establish such departments and get state aid each year, and no school shall get over \$2,500 a year. They must have five acres of ground within the city limits or within two miles of the school.

The bill also permits rural schools to consolidate and establish such departments and get the state aid, and permits rural schools to associate with village or city schools to pay part of the cost of establishing such departments.

The house gave the final killing to C. J. Carlson's bill regulating the sale of mining stock. The bill had been killed, reconsidered, laid on the table, amended and worked over more than

any other bill during the session. Carlson made a stubborn fight, but some of the members of the house contended that it would damage legitimate deals greatly without preventing the sale of fraudulent stocks. After a hard fight the bill was killed.

To Cut Prison Appropriation.

A bill cutting the appropriation recently made for the new state prison to \$1,750,000 was introduced by W. A. Nolan, Henry Rines and Burdett Thayer. These three, constituting a majority of the committee, reported that they found the plans provided for a prison to cost \$2,282,000, of which no part was for the manufacture of farm machinery.

A lengthy minority report is submitted by L. C. Spooner and Matt Fitzpatrick. They contend not only that the entire amount is needed, although it will not all be used at once, but also that the legislature had the chance to get full knowledge before it voted on the bill.

The house in committee of the whole took favorable action on two bills by E. E. Lobeck to restrain the white slave traffic.

One of them is designed to prevent the restraint or detention of any female person in any house of ill fame for the purpose of compelling them to pay debts or obligations incurred there. The other is intended to prohibit persons from enticing female persons into the state for immoral purposes and to prohibit persons from inducing or procuring females to enter houses of ill fame or assignment.

The house committee of the whole killed Senator Canestorp's bill to give village officers three-year terms instead of one year.

WHILE THE VOTE FOR SENATOR WAS TAKEN

**Wayland Detained Towne in a
Cloakroom.**

Madison, Wis., April 17.—Chellis C. Wayland, a partner of State Chairman E. A. Edmonds, told the senate investigating committee how he detained Assemblyman Silas Towne of Lavalin in a cloakroom while the final ballot for United States senator was being taken on March 4, when, as he was pleased to term it, Isaac Stephenson's election "was ratified." Wayland denied that he had offered any inducement to Towne to remain out of the room, thus keeping the total of votes down so that the Stephenson votes might be a majority. He said he originally drew Towne out of the room because he knew he was "disgusted" and because he (Wayland) believed the rest of the Democrats were going to bolt and Towne's presence might be needed to insure a quorum. Wayland admitted he told Towne that if James A. Stone's client foreclosed a mortgage he held on Towne's property, Towne could get another loan from the Portage Loan and Trust company.

The cross-examination of Wayland by Senator Hustling was one of the most spectacular in the history of the two investigations, as well as the most gruelling, but Wayland preserved his equanimity throughout.

Wayland admitted that he was assigned to "take care of" Towne on March 4, according to a plan decided upon at a conference with Henry Overbeck.

During the examination of A. G. Schauer, chief deputy game warden, it developed that no returns had been made by Chief Game Warden Stone for the sale of 240 confiscated deer which brought \$4,800 in December last.

David H. Davies, a private detective, testified that he was employed by the Stephenson forces during the campaign and legislative sessions. His last work was to keep tab on absent members from joint sessions.

MANNED BY NONUNION MEN

**Big Lake Freighters Leave the Port
of Buffalo.**

Buffalo, N. Y., April 17.—Navigation at this point was opened when ten big lake freighters plowed their way through the ice and made clear water off Point Abino, about twelve miles up Lake Erie. Union pickets were active along the waterfront, but there was no trouble. Nine of the steamers were manned with nonunion men, from engineers to deckhands.

The steamer Charles A. Weston was the first to break through the ice fields. She was quickly followed by the Dan R. Hanna of the Hutchinson fleet. The Hanna broke a propeller blade, however, and was forced to put back.

LABOR LEADERS MEET PRESIDENT

**Discuss Problems of Working-
man With Taft.**

PLEASED WITH RECEPTION

Gompers and His Associates Received With Cordiality by the Chief Executive, Who Promises to Investigate Such of the Matters Presented to Him Which Seemed to Require Such Action.

Washington, April 17.—President Taft discussed the problems of the workingman for two hours with the members of the executive council of the American Federation of Labor, which is in session in this city.

The labor leaders, headed by Samuel Gompers, president of the federation, called at the White House to present to the president a number of matters of vital interest to organized labor. Mr. Gompers declared that the president not only gave the spokesmen of the party all the time they desired to lay their matters before him, but joined himself in the discussion from time to time to bring out fuller information on the various subjects as they were reached.

In the delegation which saw the president were the representatives of most of the trades affiliated with the American Federation, and among them a number of leaders who stubbornly opposed Mr. Taft in his presidential campaign. But the greeting within the executive offices was cordial alike to Mr. Gompers and to all who accompanied him.

When the conference had reached its close the president told his callers he would investigate such of the matters presented which seemed to him to require such action and that he would be glad to help, as far as his opportunity would permit, in arriving at a proper solution of the difficulties in which the working people found themselves, while at the same time keeping the interest of the whole people in view.

The labor leaders seemed pleased with their reception. They took up with the president an imposing array of problems, including the matter of injunction, the eight-hour law, convict labor, the recent indictment of labor leaders in the South for alleged violations of the Sherman anti-trust law, the danger of a dissolution of all labor organizations under a strict interpretation of recent decisions by the supreme court, the maintenance of international peace, labor problems on the Panama canal, the adherence to the right of asylum in this country for political offenders from other lands and child labor.

LUNATIC ATTACKS DR. LAMB

**Injures Man Who Was Witness in the
Thaw Trial.**

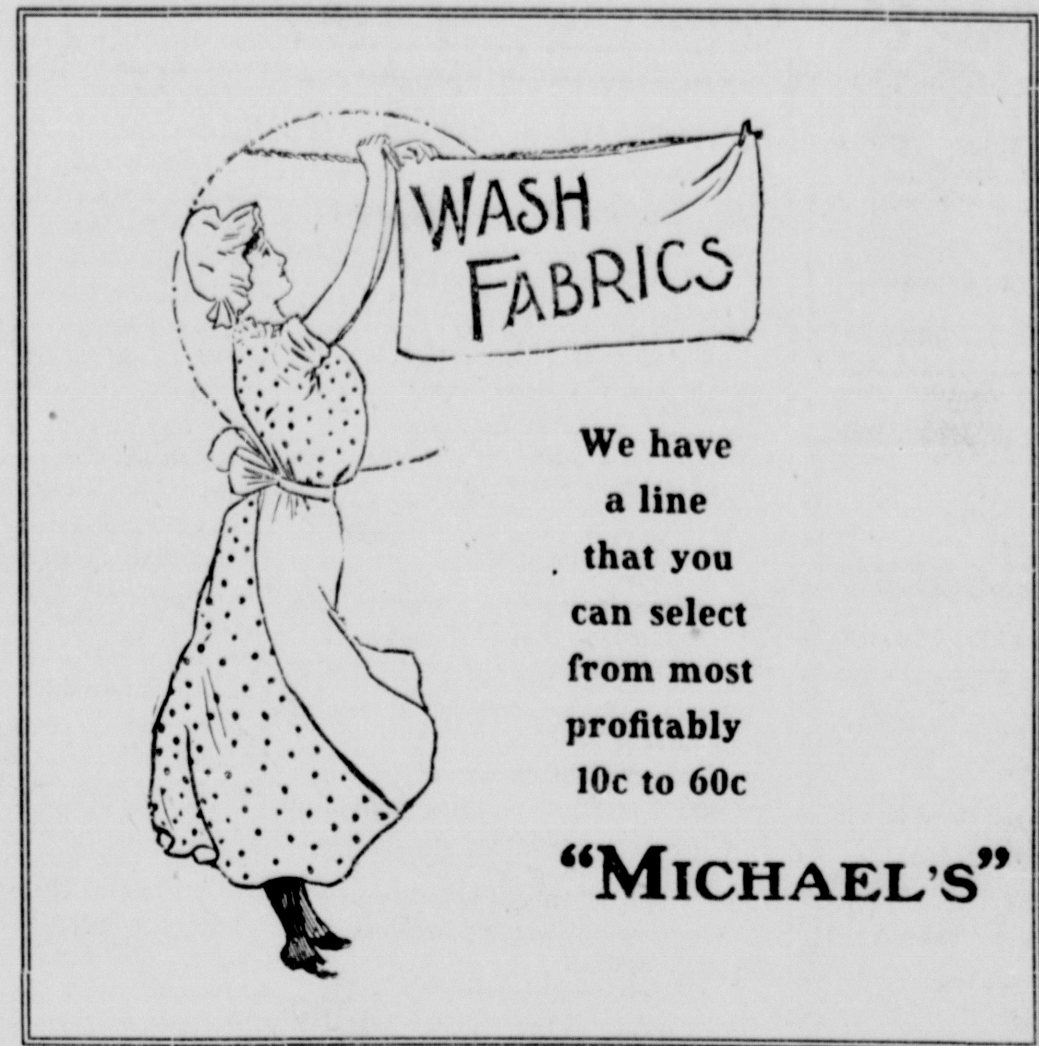

Matteawan, N. Y., April 17.—Dr. Robert B. Lamb, superintendent of the Matteawan hospital for the criminal insane, who was one of the principal medical witnesses in the Thaw trial proceedings, had a narrow escape from death at the hands of John Tohlman, a professor of languages, who was sent to the institution three years ago after having killed a man during a saloon brawl. Tohlman, whose mental condition had been considered good for a year or more and who had been installed as a trusty, suddenly struck Dr. Lamb over the head with a steel shovel three feet long, cutting his head and rendering him unconscious. Luckily the blow was a glancing one and the injury inflicted is not serious.

Tohlman, after he had struck the doctor down, drew a button hook which he had sharpened to a needle edge from his pocket and plunged it into the side of his neck. This crude weapon he then drew across his throat, inflicting a frightful gash. He then tried to stick the buttonhook into his heart, but failed because of the thickness of his clothing, although he cut his body severely. After this he staggered to the courtyard where he was found several minutes later almost dead from loss of blood. It is believed he will die.

Dr. Lamb lay unconscious in the machinist's room, where the murderous assault occurred, for nearly ten minutes. His wound was dressed and he is about the hospital as usual.

Memsic and Wolgast Fight.

Los Angeles, Cal., April 17.—George Memsic and Ad Wolgast fought ten rounds before the Pacific Athletic club here. There was no decision, but expert opinions at the ringside gave Memsic a shade the better of it.

"MICHAEL'S"

WILL NOT DELAY PASSAGE OF BILL

**Democrats Discuss the Payne
Tariff Measure.**

MUST TAKE RESPONSIBILITY

Republicans to Assume Entire Charge of the Bill and Also the Responsibility for It—Democrats Willing to Have Hours of Sitzings in Senate Extended and After Reasonable Time for Discussion Permit Majority to Set Date for Vote.

Washington, April 17.—The Democratic senators will not delay the passage of the tariff bill. They held their second conference and while no formal conclusion was reached on any point there was a general consensus of opinion in favor of permitting the Republicans to take entire charge of the measure with the understanding that they assume, as they necessarily must, the entire responsibility for it. It has been stated that the postponement of proceedings in the senate was due to a request from the Democrats, but they take exception to this statement and say that they will be prepared to proceed with the consideration of the bill whenever the Republican senators desire to take it up; and more than this that they will be willing to have the Republicans extend the hours of the sittings and after a reasonable time for discussion to permit the majority to name a time for taking the final vote.

The general expression of opinion in the conference indicated that there would not be a great number of extended speeches on the bill, but that there would be a desire to discuss many of the schedules and especially some of the amendments which will be offered by Democratic senators.

The nearest approach to a formal agreement at the second meeting of the Democrats was a reiteration of their former expression in favor of an income tax. There is no doubt that the party in the senate is united on that point, but there was no effort to bring about a concrete understanding on rates of duty on any of the articles covered by the tariff. There was no divergence of opinion as to desirability of a general reduction of rates on necessities of life, but some indications that individual Democratic senators would stand against specified decreases in the interests of their own localities. The meeting broke up without fixing a definite time for future meetings, but there was an understanding that other conferences would be held from time to time upon the call of Chairman Culberson.

WEEKLY REVIEW OF TRADE

**Weather, Crop and Industrial Reports
Still Very Irregular.**

New York, April 17.—Bradstreet's review of trade says weather, crop and industrial reports are still very irregular, rendering general characterization difficult. Taken as a whole, there is, however, a slightly larger business doing, this being particularly true of retail trade in sections where weather permits and in bookings for fall and winter delivery at wholesale. In portions of the South and in the East generally there is more confident purchasing, higher prices for cotton aiding in the former instance, while the advance of the season helps trade along the Atlantic seaboard. Business on the Pacific coast has expanded slightly, particularly in California. In the Central West trade at retail is expanding slowly and a rather better business is reported with country merchants, but jobbing activity is not as pronounced as it was some weeks ago. Industry is in a rather spotted condition.

TO AVOID MOB VIOLENCE

**Murderer of Two Women Hurried Out
of Town.**

McAlester, Okla., April 17.—Mike Zanona, an American citizen of Italian parentage, shot and killed his mother-in-law, Mrs. Williams Doss, and his sister-in-law, Miss Willie Doss, at Hartshorne, and within a few minutes shot in the neck and seriously wounded his father-in-law, William Doss. Zanona and his wife separated a year ago and a short time ago Mrs. Zanona was given a divorce and the custody of their three-year-old child by District Judge Cole. This fact has weighed on Zanona's mind and it is asserted he had made threats, even against the judge. Zanona was hurried out of town to avoid mob violence.

Embezzler Sent to Prison.

New Orleans, April 17.—Samuel T. Stevenson, convicted of embezzling funds of the New Orleans Typographical union, was sentenced to four years in the state penitentiary. R. M. Hudspeth, who was president of the union at the time Stevenson was secretary, is now awaiting trial on the charge of misapplying a large amount of the union's money.

INDICTMENT AGAINST A PACKING COMPANY

**Cudahy Concern Accused of De-
frauding Government.**

Topeka, Kan., April 17.—Charged with defrauding the government by violations of the internal revenue laws, an indictment was formally returned against the Cudahy Packing company of Kansas City in the United States district court here.

The company is indicted on 695 counts. The officers of the company will be summoned to appear in court and defend the charges outlined in the indictment.

The grand jury was dismissed following the return of the indictment.

CUDAHY MAKES STATEMENT

**Says Dispute Is Simply a Question of
Chemical Analysis.**

Omaha, April 17.—Mr. E. A. Cudahy, vice president and general manager of the Cudahy Packing company, gave out the following statement:

"The dispute between the government and ourselves is simply a question of chemical analysis. For some time past we have been aware that the government officials have been taking samples of our butterine all over the country wherever the goods have been on sale. These samples, they claim, show the infinite small use of artificial coloring matter. We have had similar samples submitted to the leading chemical analysts of the United States and they have assured us that the butterine was not colored. Every man in our employ in our Kansas City butterine factory—the only place where we make butterine—having a knowledge of the manufacture of the goods, has made affidavit that no coloring matter has been used. As the goods were sold by us as uncolored goods and by our customers to the trade as such there has been no attempt on our part to defraud the government of revenues."

One Killed and Seven Injured.

Chicago, April 17.—One man was killed and seven others were injured, two probably fatally, in an explosion in one of the caissons being sunk on the site of the new Chicago and Northwestern railroad station here. The workmen were sixty feet underground when the explosion occurred.

Montana Miner Murdered.

Sheridan, Mont., April 17.—The charred remains of John Langford, aged fifty, a pioneer miner, were found in the smoking ruins of his cabin in the hills near here under circumstances that lead the officers to believe murder was committed. Langford recently received a sum of money for ore shipment.

SATURDAY, APRIL 17, 1909.

IN the meantime what has become of
Crazy Snake?

WINTER seems to still linger despite
the protests of the public.

THE price of wheat is still soaring,
and the price of flour and bread is fol-
lowing it upward.

THE passage of the tonnage tax bill
by the state senate yesterday after-
noon was not unexpected in the face of
the vote taken on proposed amend-
ments earlier in the day. A gallant
fight was made by the members from
northern Minnesota against the pass-
age of the measure but without avail.
The member from Stearns county ex-
pressed himself as "believing beyond a
doubt that there is a conspiracy here
to paralyze northern Minnesota" which
language was used in his speech
against the measure. What the out-
come will now be is problematical, the
bill will go to the governor immedi-
ately after it is enrolled for his signature
and when once affixed the tonnage tax
bill will be the law of the state. Vol-
umes of protests by telegraph are to-
day being showered upon the governor
from all sections of northern Minnesota
requesting him to veto the measure.
There are those who claim to know
who assert that Governor Johnson will
veto the measure, that in the form in
which it passed it is very unsatisfac-
tory to the executive.

WANTS PARK BOARD TO HANDLE FUNDS

Mayor Elect Ousdahl Wanted Park Improvement Association to Turn Them Over

MEETING WAS ENTHUSIASTIC

Officers of Last Year Were Re-elected and Other Business Was Transacted

The meeting of the Brainerd Park Improvement Association was held at the Commercial club rooms Friday evening. It was attended by over 20 residents of the Second ward, R. R. Wise from the First Ward, R. A. Henning from the Third and P. M. Zakariasen from the Fourth.

The meeting was called to order by F. A. Farrar, the president.

The report of M. T. Dunn, secretary was given verbally and was on motion accepted.

D. M. Clark, the treasurer, gave his report as follows:

Received from proceeds of dance.....\$ 293 34
Received from proceeds of carnival..... 969 55

Total receipts \$ 1262 89
Expenses for carnival..... 48 54

Balance on hand \$ 1214 55

The report was on motion accepted and placed on file.

The association then proceeded to the election of officers, all the old officers being re-elected without opposition, as follows:

Pres.—F. A. Farrar.

V. P.—J. A. Thabes.

Sec.—M. T. Dunn.

Treas.—D. M. Clark.

A committee from the council, consisting of Alderman Zakariasen appeared before the meeting and asked that the association donate \$300 to the Juvenile Concert band to buy uniforms, with the understanding that the band was to give concerts at least one evening a week during the summer. He stated that the council would like to help the boys but the city attorney had ruled that they could not use public monies for that purpose.

President Farrar and Dr. Werner Hemstead opposed taking the money which was raised for park purposes and diverting it to other purposes no matter how laudable.

Mons Mahlum moved that the matter be referred to the entertainment committee. Mr. Farrar, Mr. Adair and Mr. Clark advocated raising the necessary money by subscription, but objected to taking association funds for other purposes. Messrs. Sanborn and Adair thought that the council would reimburse the association by approving bills for work on the parks done under the direction of the association. The motion of Mr. Mahlum finally prevailed and the matter was referred to the entertainment committee.

Dr. Werner Hemstead moved that the president, secretary and the chairman of the entertainment committee act as an executive committee to work in conjunction with the city park board and to have authority to spend the funds raised by the association.

The president was authorized to appoint an entertainment committee of five members to have charge of the raising of funds.

Judge Sanborn read a communication from Mr. Nutting, the architect who drew the plans for the beautifying of Gregory park, stating that the cost of detailed plans for the buildings indicated sufficient to base advertisement for bids upon, would be about \$20, and on motion Mr. Sanborn was instructed to order the plans and to ask the council to pay for same as an offset to the money proposed to be donated to the band.

The executive committee was directed to secure a supply of badges or buttons to be sold at \$1 each, to raise funds for the parks, the purchase of a button also carrying with it membership in the association.

On motion the president was authorized to appoint a committee of three to draw up by-laws. He appointed Werner Hemstead, Mons Mahlum and R. R. Wise.

Dr. Hemstead suggested that the city council be urged to take up the feasibility of securing a site for a park at Rice lake. He believed the property should be secured at once, while the pine trees are still standing. It was on motion declared the sense of the meeting that this be done.

Mr. Wise said that the citizens of the Fifth and First wards did not ask the purchase of a park, all they wanted was to have the old schoolhouse site on South Sixth street beautified. The school district still owned the lots and could not sell them, but would, he thought, give the permission to improve them. It was suggested that the school board be requested to beautify the school grounds. W. H. Strachn believed the school board should not spend any money in that way until the sanitary conditions of the Whittier and Lowell buildings were improved.

Mayor Elect Ousdahl expressed the belief that the funds of the association

should be turned over to the park board of the city to be spent.

There was no support given Mr. Ousdahl's suggestion. It was pointed out, in the first place, that the funds did not belong to the city, but to the association and should be spent by them; also that the funds, if in the treasury, could not be used for many laudable purposes (such as aiding the band, as the council had suggested.) Mr. Ousdahl declared that he only sought to remove an apprehension on the part of the people as to whether or not the funds would be properly spent.

Mr. Farrar stated that there was but one park of record in the city on which money could be spent and that the council, and that body alone, must buy the sites. Mr. Ousdahl was very insistent that the funds or at least the major portion of them must be put in the city park fund, despite the fact that it was pointed out to him that no work could be done upon any city park without the consent of the park board.

Alderman Zakariasen wanted land for a park purchased about four blocks south of the fair ground, but his attention was called to the fact that the council alone acquire land for parks.

R. R. Wise thought that the east end of the Fisher Fuel Co.'s yards should be taken from them and parked, saying that the impression on people coming in on the trains would be better. W. D. McKay talked along the same line. J. P. Anderson said he believed that it would be a waste of money. The place was hidden from the main line almost all the time by bad order box cars and he did not think any good could come of the effort. However a motion prevailed that the chair should appoint a railroad park committee.

Dr. Courtney thought that while they were about it the association should do something toward the improvement of West Brainerd, especially in the way of stopping the draymen and others from making it a dumping ground. His attention was called to the fact that came under the health department rather than under the park association's jurisdiction. Dr. Courtney, also, advocated making a good showing on one park and then taking up another, not scattering the efforts of the association so as to make no showing anywhere.

Dr. Courtney also made a strong plea for a sidewalk to the N. P. Sanitarium. He said that practically every stranger who spent a few hours in Brainerd visited the Mississippi river bridge, if not the hospital and that no improvement that could be made would be a better advertisement than would such a walk.

The meeting then adjourned.

Here is Relief for Women

If you have pains in the back, urinary, bladder, or kidney trouble and want a certain, pleasant herb relief from women's ills, try Mother Gray's "AUSTRIAN-LEAF." It is safe, reliable, regulates, and relieves all female weaknesses, including inflammation and ulcerations. MOTHER GRAY'S "AUSTRIAN-LEAF" is sold by druggists or sent by mail for 50 cts. GENERAL SUPT. DEAD

Word Received Here Today of the Death of F. W. Gilbert, in St. Paul This Morning

Word was received in Brainerd today of the death, at St. Paul this morning of F. W. Gilbert, general superintendent of the Northern Pacific railway system. Mr. Gilbert's death was caused by pneumonia, he having been sick but a short time. Nothing had been learned here at noon of the funeral arrangements. Everywhere among railroad men there is much sorrow manifested over his death. He was exceptionally popular with the employees of the road.

WEAK KIDNEYS MAKE WEAK BODIES

Kidney Diseases Cause Half the Common Aches and Pains of Brainerd People

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking down. Overwork, strains, cold and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric acid circulating in the blood.

Aches and pains and languor and urinary ills come, and there is an ever-increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every kidney ill. Brainerd cures are the proof.

Miss Catherine Bone, living at 601 S. Sixth St., Brainerd, Minn., says: "From my own experience and that of others, I know Doan's Kidney Pills are a reliable remedy for all complaint arising from disordered kidneys. Not long ago I procured a box of this excellent preparation from H. P. Dunn's drug store, when suffering from a weakness and a dull aching across my back. It only required a few doses to relieve me of my trouble and my general system was greatly improved in a short time. I consider Doan's Kidney Pills worthy of my highest endorsement."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

STARCHY FOODS AND MEAT FATS

Whatever You Eat Will be Digested Leaving Nothing to Ferment

YOUR DYSPEPSIA WILL VANISH

Hundreds of Dispatch Readers are Suffering Unnecessarily from Stomach Trouble

Nothing will remain undigested or sour on your stomach if you will take Diapepsin after your meal. This powerful digestive aid and antacid, though as harmless and pleasant as candy, will digest and prepare for assimilation into the blood all the food you can eat.

Eat what your stomach craves, without the slightest fear of indigestion or that you will be bothered with sour risings, belching, gas on stomach, gas on stomach, heartburn, headaches from stomach, nausea, bad breath, water brash or a feeling like you had swallowed a lump of lead, or other disagreeable miseries.

If you will get from your pharmacist a 50-cent case of Pape's Diapepsin you could always go to the table with a hearty appetite, and your meals would taste good, because you would know there would be no indigestion or sleepless nights or headaches or stomach misery all the next day; and, besides, you would not need laxatives or liver pills to keep your stomach and bowels clean and fresh.

Pape's Diapepsin can be obtained from your druggist, and contains more than enough triangles to thoroughly cure the worst dyspeptic. There is nothing better for gas on the stomach or sour odors from the stomach or to cure a stomach headache.

You couldn't keep a handier or more useful article in the house.

TO BE BURIED SUNDAY

The Remains of Wm. Nelson Arrived From Akeley Today and Will be Laid to Rest in Evergreen

The remains of Wm. Nelson, formerly an engineer on the Minnesota & International railway, but now a resident of Akeley, arrived this afternoon from that place and will be buried Sunday afternoon, the funeral being in charge of Aurora Lodge, No. 100, A. F. & A. M., of this place. Mr. Nelson, who was a brother of Mrs. Helen B. Ferris, was only sick a short time, his death being caused by pleurisy. He is 29 years of age and leaves a wife, a father, a brother and a sister. Mr. Nelson was made a master mason a little less than four weeks before his death, being a member of the lodge at Akeley.

The party from Akeley consisted of the widow, Mrs. H. B. Ferris, L. F. Nelson, father of the deceased; Frank Nelson, a brother; Mrs. Munson, of Akeley and Rev. R. G. Green, pastor of the M. E. church there. Wm. Norton, senior warden of the Akeley lodge came over yesterday to make arrangements for the burial, which will be from Losey & Dean's undertaking parlors at 2 p. m., there having been funeral services at Akeley, this morning.

Words To Freeze The Soul.

"Your son has consumption. His case is hopeless." These appalling words were spoken to Geo. E. Blevens, a leading merchant of Springfield, N. C., by two expert doctors—one a lung specialist. Then was shown the wonderful power of Dr. King's New Discovery. "After three weeks use," writes Mr. Blevens, "he was as well as ever. I would not take all the money in the world for what it did for my boy." Infallible for coughs and colds, its the safest, surest cure of desperate lung diseases on earth. 50c. and \$1.00. Guarantee satisfaction. Trial bottle free. H. P. Dunn. t t s

CONVICTED OF KIDNAPPING

Donald Boyd Held Wealthy Lumberman for Ransom.

Mount Vernon, Wash., April 17.—Donald Boyd was convicted of kidnapping Patrick McCoy, a wealthy Seattle lumberman, in the woods near Bow, last autumn, with the intention of holding him for a ransom.

Leo Bezmer, serving twenty years for kidnapping Edward W. English, admitted that he was one of the McCoy kidnappers. Witnesses testified that Bezmer and Boyd planned a series of kidnappings of wealthy men.

Swept Over Niagara.

This terrible calamity often happens because a careless boatman ignores the river's warnings—growing ripples and faster current—Nature's warnings are kind. That dull pain or ache in the back warns you the kidneys need attention if you would escape fatal maladies—Dropsy, diabetes or Bright's disease. Take Electric Bitters at once and see backache fly and all your best feelings return. "After long suffering from weak kidneys and lame back, one \$1.00 bottle wholly cured me," writes J. R. Blankenship, of Belk, Tenn. Only 50c at H. P. Dunn. t t s

WANTS PARK BOARD
TO HANDLE FUNDS

Mayor Elect Ousdahl Wanted Park
Improvement Association to
Turn Them Over

MEETING WAS ENTHUSIASTIC

Officers of Last Year Were Re-
elected and Other Business
Was Transacted

The meeting of the Brainerd Park Improvement Association was held at the Commercial club rooms Friday evening. It was attended by over 20 residents of the Second ward, R. R. Wise from the First Ward, R. A. Henning from the Third and P. M. Zakariassen from the Fourth.

The meeting was called to order by F. A. Farrar, the president.

The report of M. T. Dunn, secretary was given verbally and was on motion accepted.

D. M. Clark, the treasurer, gave his report as follows:

Received from proceeds of dance	\$ 293 34
Received from proceeds of carnival	969 55

Total receipts \$ 1262 89
Expenses for carnival..... 48 54

Balance on hand \$ 1214 55

The report was on motion accepted and placed on file.

The association then proceeded to the election of officers, all the old officers being re-elected without opposition, as follows:

Pres.—F. A. Farrar.
V. P.—J. A. Thabes.
Sec.—M. T. Dunn.
Treas.—D. M. Clark.

A committee from the council, consisting of Alderman Zakariassen appeared before the meeting and asked that the association donate \$300 to the Juvenile Concert band to buy uniforms, with the understanding that the band was to give concerts at least one evening a week during the summer. He stated that the council would like to help the boys but the city attorney had ruled that they could not use public monies for that purpose.

President Farrar and Dr. Werner Hemstead opposed taking the money which was raised for park purposes and diverting it to other purposes no matter how laudable.

Mons Mahlum moved that the matter be referred to the entertainment committee. Mr. Farrar, Mr. Adair and Mr. Clark advocated raising the necessary money by subscription, but objected to taking association funds for other purposes. Messrs. Sanborn and Adair thought that the council would reimburse the association by approving bills for work on the parks done under the direction of the association. The motion of Mr. Mahlum finally prevailed and the matter was referred to the entertainment committee.

Dr. Werner Hemstead moved that the president, secretary and the chairman of the entertainment committee act as an executive committee to work in conjunction with the city park board and to have authority to spend the funds raised by the association.

The president was authorized to appoint an entertainment committee of five members to have charge of the raising of funds.

Judge Sanborn read a communication from Mr. Nutting, the architect who drew the plans for the beautifying of Gregory park, stating that the cost of detailed plans for the buildings indicated sufficient to base advertisement for bids upon, would be about \$20, and on motion Mr. Sanborn was instructed to order the plans and to ask the council to pay for same as an offset to the money proposed to be donated to the band.

The executive committee was directed to secure a supply of badges or buttons to be sold at \$1 each, to raise funds for the parks, the purchase of a button also carrying with it membership in the association.

On motion the president was authorized to appoint a committee of three to draw up by-laws. He appointed Werner Hemstead, Mons Mahlum and R. R. Wise.

Dr. Hemstead suggested that the city council be urged to take up the feasibility of securing a site for a park at Rice lake. He believed the property should be secured at once, while the pine trees are still standing. It was on motion declared the sense of the meeting that this be done.

Mr. Wise said that the citizens of the Fifth and First wards did not ask the purchase of a park, all they wanted was to have the old school house site on South Sixth street beautified. The school district still owned the lots and could not sell them, but would, he thought, give the permission to improve them. It was suggested that the school board be requested to beautify the school grounds, W. H. Strachn believed the school board should not spend any money in that way until the sanitary conditions of the Whittier and Lowell buildings were improved.

Mayor Elect Ousdahl expressed the belief that the funds of the association

should be turned over to the park board of the city to be spent.

There was no support given Mr. Ousdahl's suggestion. It was pointed out, in the first place, that the funds did not belong to the city, but to the association and should be spent by them; also that the funds, if in the treasury, could not be used for many laudable purposes (such as aiding the band, as the council had suggested.) Mr. Ousdahl declared that he only sought to remove an apprehension on the part of the people as to whether or not the funds would be properly spent.

Mr. Farrar stated that there was but one park of record in the city on which money could be spent and that the council, and that body alone, must buy the sites. Mr. Ousdahl was very insistent that the funds or at least the major portion of them must be put in the city park fund, despite the fact that it was pointed out to him that no work could be done upon any city park without the consent of the park board.

Alderman Zakariassen wanted land for a park purchased about four blocks south of the fair ground, but his attention was called to the fact that the council alone acquire land for parks.

R. R. Wise thought that the east end of the Fisher Fuel Co's yards should be taken from them and parked, saying that the impression on people coming in on the trains would be better. W. D. McKay talked along the same line. J. P. Anderson said he believed that it would be a waste of money. The place was hidden from the main line almost all the time by bad order box cars and he did not think any good could come of the effort. However a motion prevailed that the chair should appoint a railroad park committee.

Dr. Courtney thought that while they were about it the association should do something toward the improvement of West Brainerd, especially in the way of stopping the draymen and others from making it a dumping ground. His attention was called to the fact that came under the health department rather than under the park association's jurisdiction. Dr. Courtney, also, advocated making a good showing on one park and then taking up another, not scattering the efforts of the association so as to make no showing anywhere.

Dr. Courtney also made a strong plea for a sidewalk to the N. P. Sanitarium. He said that practically every stranger who spent a few hours in Brainerd visited the Mississippi river bridge, if not the hospital and that no improvement that could be made would be a better advertisement than would such a walk.

The meeting then adjourned.

Have You a Summer Stove?

The stifling air of a close kitchen is changed to comfortable coolness by installing a New Perfection Wick Blue Flame Oil Cook-Stove to do the family cooking.

No kitchen furnishing is so convenient as this stove. Gives a working heat at once, and maintains it until turned out—that, too, without overheating the room. The

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

is built with a CABINET TOP just like a steel range. It is the most convenient stove ever made, and is almost indispensable to summer comfort. From its powerful burners to its handy racks for towels it is simply PERFECTION. Three sizes. Can be had either with or without Cabinet Top. Ask your dealer, or write our nearest agency.

The **Rayo Lamp** is a very handsome piece of housefurnishing and gives a clear, powerful light more agreeable than gas or electricity. Safe everywhere and always. Made of brass finely nickel-plated—just the thing for the living-room. If not with your dealer, write our nearest agency.

MASSACRE OF ARMENIANS

Said to Have Taken Place at Adana, Asiatic Turkey.

SOLDIERS PILLAGE THE TOWN

Being Powerless to Control the Situation They Join the Ranks of the Plunderers—Fatalities Are Reported to Be Numerous—Two American Missionaries Said to Be Among the Dead.

Constantinople, April 17.—A massacre of Armenians has taken place at Adana, Asiatic Turkey, and according to the latest telegrams from Mersina still continues. Soldiers, powerless to control the situation, are joining in the pillage of the town. The fatalities are said to be numerous.

The riots began last Wednesday and the town of Adana has been burned and many Christians killed in the streets. The Moslems having wrecked the town, are said to have now begun operations against the Christians in the vilayet. The foreign consuls at Mersina have requested that warships be sent to that port.

Nothing definite is obtainable as to the number of persons who lost their lives in the fighting, though one report says sixty Armenians were massacred. Two American missionaries are said to be among the dead, but no names are given and the report as to these is unconfirmed. The British vice consul at Mersina, Major Daughry-Wyllie, is said to have been injured during the trouble.

It is known that the regular district meeting of the American missionaries was due to be in session at Adana and that Mr. and Mrs. William Chambers, the Misses Elizabeth and Mary G. Webb, Miss Wallis and Miss Borel, missionaries, were to have been present there. Ambassador Lelshman has instructed Vice Consul Debbas at Mersina to go immediately to Adana.

How's This?

Take Hall's Family Pills for constipation.

LOCAL NEWS NOTES

(Continued from 2nd page)

F. W. McKay has received an offer of a position with the Commercial National bank of Bozeman, Mont. He has decided to accept and will leave here so as to assume his duties there by May 1st. This is the institution that W. N. Purdy, formerly of this city is connected with.

Pastors of the various churches should bear in mind that church notices must be sent in Friday to secure insertion in the "Where to Worship" column on Saturday. This is imperative in order that the work of correcting up that department may be done before the rush of the day's news commences.

The Rev. Charles Fox Davis at the First Methodist Episcopal church on Sunday evening will take as his theme, "The Work of Our School, an Appreciation of the Work Done in Our City and County Schools." After a visit to all the schools and viewing the excellent exhibitions, Rev. Davis pronounced the work as a great compliment to the teachers.

Misses Mabel Rodeen, Mabel Soderland, Miss Headman and Miss Carlson were given a farewell party by about 50 of their friends at Hallquist's hall, Southeast Brainerd, Friday evening. The evening was spent in games and music after which light refreshments were served. All report a good time. The Misses Rodeen and Soderland left today for the cities for a brief visit with friends and relatives.

The losing side in the membership contest in Miss Fuller's perseverance band of the Methodist Sunday school entertained the winning side last evening in accordance with the agreement at the commencement of the contest. The members were invited to the residence of Miss McDonald, on South Sixth street, and after being taken for a walk around town they were conducted to the vacant store room in the Sleeper building which had been decorated in yellow and green, the colors of the two sides. Here the evening was pleasantly spent in playing games, etc., and an elegant lunch was served. The party broke up about 11 o'clock after declaring the event a decided success. The total membership of the band is now about 35.

A Hurry-Up Medicine

Every housekeeper recognizes the need of effective remedies to be used in emergencies—when something must be done right away. Such a remedy is Perry Davis' Pain-Expeller, for sprains and bruises, for strained muscles and the aches and pains resulting from blows and falls. Burns and cuts are instantly relieved by it and helped to healing. Its mission of mercy began seventy years ago. It is used in all countries and millions of bottles sold annually. There is but one Painkiller, Perry Davis'. Have you seen the new large 35c size?

Where to Worship

Parties interested will please bear in mind that notices must be in The Dispatch office by 5:30 p. m. Friday evening to insure insertion Saturday. This is necessary to permit copy to be ready for printer Saturday morning.

Presbyterian church: Morning services at 10:30, Sunday school at 11:50. Christian Endeavor at 6:30. Evening service at 7:30 o'clock. Prayer meeting Thursday evening at 8:00. All are always welcome. W. J. Lowrie, pastor.

Morning subject, "The Ascending Christ." Evening subject, "Gold for Brass."

Swedish M. E. church—Preaching services the first and Third Sundays of each month, at 10:45 a. m. Rev. A. G. Olson, Pastor.

Up Before The Bar.

N. H. Brown, an attorney, of Pittsfield, Vt., writes: "We have used Dr. King's New Life Pills for years and find them such a good family medicine we wouldn't be without them." For chills, constipation, biliousness or sick headache they work wonders, 25c H. P. Dunn.

Will Be Tried at Council Bluffs.

Des Moines, Ia., April 17.—J. C. Maybray, alleged leader of the gang of fake racing and wrestling promoters arrested by federal officers, will be tried in Council Bluffs at the September term of federal court there. This announcement was made by Judge Smith McPherson, who will try the case. Maybray will remain in jail here until court opens.

"I'd Rather Die, Doctor,

than have my feet cut off," said M. L. Bingham, of Princeville, Ill., "but you'll die from gangrene (which had eaten away eight toes) if you don't" said all doctors. Instead he used Bucklen's Arnica Salve till wholly cured. Its cures of eczema, fever sores, boils, burns and piles astound the world. 25c at H. P. Dunn.

Royal is the only Baking Powder made from Royal Grape Cream of Tartar—made from grapes—

SOMETHING OF A SENSATION

Caused by Summons Issued for Democratic Political Leader.

New York, April 17.—Something of a sensation was created in financial and political circles when announcement was made that Receiver Lindsay Russell of the failed brokerage firm of Ennis & Stoppani had obtained an order from Judge Holt in the United States district court summoning Senator Patrick H. McCarren, the well known Democratic leader of Brooklyn, to appear before United States Commissioner Alexander next Tuesday to testify at the bankruptcy hearing which is to develop the firm's affairs. The order also provides that he produce such books, records, documents, etc., as may be required.

The summons for Senator McCarren was based on the alleged discovery by expert accountants who are going over the books of Ennis & Stoppani that one of several "blind" accounts, entered as "No. 339," was that of Senator McCarren, who for years past has been a close personal friend of both members of the firm. Account "No. 339," it is stated, was a very active one and it also showed that the man operating under it was indebted to the firm to an aggregate amount of over \$100,000.

A Most Valuable Agent.

The glycerine employed in Dr. Pierce's medicines greatly enhances the medicinal properties which it extracts from native medicinal roots and holds in solution much better than alcohol would. It also possesses medicinal properties of its own, being a valuable demulcent, nutritive, antiseptic and antiferment. It adds greatly to the efficacy of the Black Cherry-bark, Bloodroot, Golden Seal root, Stone root and Queen's root, contained in "Golden Medical Discovery," in subduing chronic, or lingering coughs, bronchitis, throat and lung affections, for all of which these agents are recommended by standard medical authorities.

In all cases where there is a wasting away of flesh, loss of appetite, with weak stomach, as in the early stages of consumption, there can be no doubt that glycerine acts as a valuable nutritive and aids the Golden Seal root, Stone root, Queen's root and Black Cherry-bark in promoting digestion and building up the flesh and strength, controlling the cough and bringing about a healthy condition of the whole system. Of course, it must not be expected to work miracles. It will not cure consumption except in its earlier stages. It will cure very severe obstinate, hacking, chronic coughs, bronchitis and laryngeal troubles and chronic sore throat with hoarseness. In acute coughs it is not so effective. It is in the lingering, hacking coughs, or those of long standing, even when accompanied by bleeding from the lungs, that it has performed its most marvelous cures.

Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago, says of glycerine:

"In dyspepsia it serves an excellent purpose. Holding a fixed quantity of about 10 per cent of hydrogen in solution, it is one of the best manufactured products of the present time in its action upon engorged, disordered stomachs, especially if there is ulceration or catarrhal gastritis (catarrhal inflammation of stomach). It is a most efficient preparation. Glycerine will relieve many cases of pyrosis (heartburn) and excessive gastric (stomach) acidity."

"Golden Medical Discovery" enriches and purifies the blood curing blotches, pimples, eruptions, scrofulous swellings and old sores, or ulcers.

Send to Dr. R. W. Pierce, of Buffalo, N. Y., for free booklet telling all about this wonderful medicinal roots, composing this wonderful medicine. There is no alcohol in it.

A Speedy Cure for

Constipation, Biliousness, Dyspepsia, Indigestion, Liver Complaints, Tired Feeling, Bad Taste in the Mouth, Bad Complexion, Nervousness and all diseases of the Stomach, Liver and Bowels.

"Bloodline Liver Pills" act gently, yet thoroughly upon the bowels, liver, stomach and digestive organs. The pills, in old and chronic cases of constipation and indigestion, act at once, without gripping, nor do they leave any unpleasant after-effects, nor form a constant habit of purging, nor produce any cathartic remedies.

"Bloodline Liver Pills" restore the deranged and torpid liver to its normal condition and healthful action. Remove and prevent constipation by securing a natural and regular operation of the bowels, and relieve those unpleasant symptoms which attend a diseased or morbid condition of the liver, stomach and bowels. To assist in attaining this end, the following suggestions are offered.

REMARKS. Everyone who uses pills for their action on the liver, should know that large doses rarely prove as satisfactory as small ones. Large doses simply purge and pass out of the system, usually leaving the bowels constipated, and seldom removing the cause of the trouble, or improve the general health. On the other hand, small doses develop the alternative effect of the medicine, do not irritate or constipate the bowels, but gently stimulate the liver and prevent the accumulation of bile by directing its flow into the proper channels. Therefore it is advisable to commence by taking not over one or two pills at bedtime and increase dose as necessary.

Genes.—I find your "Bloodline Liver Pills" the most effective pill I ever used. They cause no gripping or constipative after effect as most liver pills do. Yours truly, MRS. AMADA RICHARDSON.

WOMAN ROBBED IN PARIS

Mrs. Bartels of New York Also Brutally Beaten.

Paris, April 17.—Mrs. Bartels of New York was robbed and nearly murdered in her apartments by burglars, who secured a number of jewels and a quantity of money. Mrs. Bartels occupies an apartment in the Avenue Eylau. Recently she decided to return to the United States and advertised her furniture for sale. Three well dressed men gained entrance to the house on the pretext of desiring to inspect the goods offered for sale. After ascertaining that no man was about the premises, they fell upon the maid servant and Mrs. Bartels, who is sixty years old, and possibly paralyzed and brutally beat them into a state of unconsciousness, gagged them and secured jewels and money to the value of \$2,000. The victims lay several hours in a serious condition before they were found. Both were nearly suffocated from the gags the burglars had placed in their mouths.

Up Before The Bar.

N. H. Brown, an attorney, of Pittsfield, Vt., writes: "We have used Dr. King's New Life Pills for years and find them such a good family medicine we wouldn't be without them." For chills, constipation, biliousness or sick headache they work wonders, 25c H. P. Dunn.

Will Be Tried at Council Bluffs.

Des Moines, Ia., April 17.—J. C. Maybray, alleged leader of the gang of fake racing and wrestling promoters arrested by federal officers, will be tried in Council Bluffs at the September term of federal court there. This announcement was made by Judge Smith McPherson, who will try the case. Maybray will remain in jail here until court opens.

"I'd Rather Die, Doctor, than have my feet cut off," said M. L. Bingham, of Princeville, Ill., "but you'll die from gangrene (which had eaten away eight toes) if you don't," said all doctors. Instead—he used Bucklen's Arnica Salve till wholly cured. Its cures of eczema, fever sores, boils, burns and piles astound the world. 25c at H. P. Dunn.

ROYAL Baking Powder

ABSOLUTELY PURE

Where the finest biscuit, cake, hot-breads, crusts or puddings are required **Royal** is indispensable. **Royal** is equally valuable in the preparation of plain, substantial, every-day foods, for all occasions.

Royal is the only Baking Powder made from Royal Grape Cream of Tartar—made from grapes—

SOMETHING OF A SENSATION

Caused by Summons Issued for Democratic Political Leader.

New York, April 17.—Something of a sensation was created in financial and political circles when announcement was made that Receiver Lindsay Russell of the failed brokerage firm of Ennis & Stoppani had obtained an order from Judge Holt in the United States district court summoning Senator Patrick H. McCarren, the well known Democratic leader of Brooklyn, to appear before United States Commissioner Alexander next Tuesday to testify at the bankruptcy hearing which is to develop the firm's affairs. The order also provides that he produce such books, records, documents, etc., as may be required.

The summons for Senator McCarren was based on the alleged discovery by expert accountants who are going over the books of Ennis & Stoppani that one of several "blind" accounts, entered as "No. 339," was that of Senator McCarren, who for years past has been a close personal friend of both members of the firm. Account "No. 339," it is stated, was a very active one and it also showed that the man operating under it was indebted to the firm to an aggregate amount of over \$100,000.

A Most Valuable Agent.

The glycerine employed in Dr. Pierce's medicines greatly enhances the medicinal properties which it extracts from native medicinal roots and holds in solution much better than alcohol would. It also possesses medicinal properties of its own, being a valuable demulcent, nutritive, antiseptic and antiferment. It adds greatly to the efficacy of the Black Cherrybark, Bloodroot, Golden Seal root, Stone root and Queen's root, contained in "Golden Medical Discovery," in subduing chronic, or lingering coughs, bronchial, throat and lung affections, for all of which these agents are recommended by standard medical authorities.

In all cases where there is a wasting away of flesh, loss of appetite, with weak stomach, as in the early stages of consumption, there can be no doubt that glycerine acts as a valuable nutritive and aids the Golden Seal root, Stone root, Queen's root and Black Cherrybark in promoting digestion and building up the flesh and strength, controlling the cough and bringing about a healthy condition of the whole system. Of course, it must not be expected to work miracles. It will not cure consumption except in its earlier stages. It will cure very severe, chronic, hang-cough, chronic coughs, bronchitis and laryngeal troubles, and chronic sore throat with hoarseness. In acute coughs it is not so effective. It is in the lingering hang-on coughs, or those of long standing, even when accompanied by bleeding from the lungs, that it has performed its most marvelous cures.

Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago, says of glycerine:

"In dyspepsia it serves an excellent purpose. Holding a fixed quantity of the peroxide of hydrogen in solution, it is one of the best manufactured products of the present time in its action upon engorged, disordered stomachs, especially where there is ulceration or catarrhal gastritis (catarrhal inflammation of stomach). It is a most efficient preparation. Glycerine will relieve many cases of pyrosis (heartburn) and excessive gastric (stomach) acidity."

"Golden Medical Discovery" enriches and purifies the blood curing blotches, pimples, eruptions, scrofulous swellings and old sores, or ulcers. Send to Dr. R. Y. Pierce, of Buffalo, N. Y., for free booklet telling all about the native medicinal roots composing this wonderful medicine. There is no alcohol in it.

A Speedy Cure for

Constipation, Biliousness, Dyspepsia, Indigestion, Liver Complaints, Tired Feeling, Bad Taste in the Mouth, Bad Complexion, Nervousness and all diseases of the Stomach, Liver and Bowels.

"Bloodline Liver Pills" act gently, yet thoroughly upon the bowels, liver, stomach and digestive organs. The pills, in old and chronic cases of constipation and indigestion, act at once, without gripping, nor do they leave any unpleasant after-effects, nor form a constant habit of purging, produced by other cathartic remedies. "Bloodline Liver Pills" restore the deranged and torpid liver to its normal condition and healthful action. Remove and prevent constipation by securing a natural and regular operation of the bowels, and relieve those unpleasant symptoms which attend a diseased or morbid condition of the liver, stomach and bowels. To assist in attaining this end, the following suggestions are offered.

REMARKS. Everyone who uses pills for their action on the liver, should know that large doses rarely prove as satisfactory as small ones. Large doses simply purge and pass out of the system, usually leaving the bowels constipated, and seldom removing the cause of the trouble, or improve the general health. On the other hand, small doses develop the alternative effect of the medicine, do not irritate or constipate the bowels, but gently stimulate the liver and prevent the accumulation of bile by directing its flow into the proper channels. Therefore it is advisable to commence by taking not over one or two pills at bedtime and increase dose as necessary.

PORTLAND, ME. GENTS:—I find your "Bloodline Liver Pills" the most effective pill I ever used. They cause no gripping or constipative after effect as most liver pills do. Yours truly, MRS. AMADA RICHARDSON.

WOMAN ROBBED IN PARIS

Mrs. Bartels of New York Also Brutally Beaten.

Paris, April 17.—Mrs. Bartels of New York was robbed and nearly murdered in her apartments by burglars, who secured a number of jewels and a quantity of money. Mrs. Bartels occupies an apartment in the Avenue Eylau. Recently she decided to return to the United States and advertised her furniture for sale. Three well dressed men gained entrance to the house on the pretext of desiring to inspect the goods offered for sale. After ascertaining that no man was about the premises, they fell upon the maid servant and Mrs. Bartels, who is sixty years old, and possibly paralyzed and brutally beat them into a state of unconsciousness, gagged them and secured jewels and money to the value of \$2,000. The victims lay several hours in a serious condition before they were found. Both were nearly suffocated from the gags the burglars had placed in their mouths.
